Hailing from a small town in Vietnam, Hai Tran began his professional beauty career at a young age. With years of experience and dedication, Hai is a true artist in color, cut and style-a "Triple Threat". Hai creates looks that span the spectrum from commercial to editorial and lives for client transformations. He is the gifted artist behind the chair and the voice behind dozens of solutions, ideas, and inspiration amongst L'ANZA Hair Color users throughout the L'ANZA Facebook community. Hai has been featured in Modern Salon, Behind the Chair, and on L'ANZA social media platforms. As a L'ANZA Artist 4, Hai loves to share his deeply rooted passion with other stylists. "I never feel like I'm 'teaching', says Hai. "I'm just sharing my passion, my knowledge, and my creativity in a fun and inspirational environment."
